

Super Silky Polisher

Silky Rice Polisher is designed to give uniform polish, superior whiteness and shining to rice with lesser broken and high efficiency. This is well suited for raw and boiled rice. It gives better results if rice is polished in whiteners before processing in Silky Polisher.

It is equipped with stainless steel, screw roller for longer life and better results. It has water injection for smooth polish through pump. It has unlimited adjustments for polishing. It is very easy to operate with very low maintenance.

CODE No	PRODUCT NAME	CAPACITY ON PADDY	POWER RECOMMENDED	DIMENSIONS APPROXIMATE		
				L	B	H
